¹ Number of children of all ages currently in foster care on September 30, 2014.

² Number of children whose date of most recent removal was during the 2014 federal fiscal year.

³ Unless otherwise noted, length of stay in care is calculated based on the current removal episode.

⁴ Does not include children over age 20 or children missing birthdate data.

⁵ Hispanic children are not included in counts for specific racial groups. Children whose race was reported as unknown are not included. Data for the general child population under age 18 is from the U. S. Census Bureau. This information is publicly available on the Kids Count Data Center (<http://datacenter.kidscount.org/data/tables/103-child-population-by-race>).

⁶ Does not include children who were missing case plan goal data.

⁷ The number of places the child has lived, including the current setting, during the current removal episode; trial home visits are not included as a placement setting.

⁸ Other placement types include pre-adoptive home, runaway, supervised independent living, and trial home visit. Children missing placement data are excluded.
