¹⁰ State expenditures on KinGAP programs is from *Child Welfare Financing SFY 2014: A survey of federal, state, and local expenditures*, which is publically available on the Child Trends website (<http://www.childtrends.org/publications/child-welfare-financing-sfy-2014-a-survey-of-federal-state-and-local-expenditures/>). Each state reported data based on their state fiscal year (SFY) 2014, which for most states is July 1, 2013 to June 30, 2014. AL, DC, MI, NY, TX, and WY reported a different SFY calendar.

¹¹ It is possible for states to have had a KinGAP program as of May 2014 and not have reported any KinGAP expenditures in SFY 2014, or vice versa. This could be due to a variety of state-specific reasons.

¹² Based on HHS Title IV-E claims data from FFY 2014.
